 MGS: Hedetoft United (P) Ear Tag: 8993/500213 AI code: SG1174

BOOMER BIRCH BEEF SIRE ANALYST

Iver is a super young polled bull that offers world class genetics. His grandfather Hedetoft United was a heavily proven bull used in Denmark recognised for his easy fleshing and calving ease. Iver was purchased from the Danish test station where he displayed great performance and growth compared to his contemporaries. His dam is a multiple award winning donor cow in Denmark. Expect this bull to produce progeny that display easy fleshing.
